

Reading Outcomes Framework Toolkit:

Production Timeline

The [Reading Outcomes Framework Toolkit](#) is the result of a systematic process of development, founded in evidence, that began in 2014:

2017	Online consultation across the reading sector: Your View: The Reading Outcomes Framework Toolkit
	Promotion and feedback at conferences
	A review of reading outcome measures (TSIP has been commissioned)
2016	Promotion and feedback at conferences
	Phase 1 complete and Reading Outcomes Framework Toolkit launched
	Toolkit developed drawing on a series of seven workshops and user-testing.
2015	Review of literature that identifies the impact of reading for pleasure and empowerment (conducted by BOP)
	Steering group established
2014	Successfully applied for funding from the Peter Sowerby Foundation to develop the Reading Outcomes Framework Toolkit
